## “This is the last of my food”

“This is the last of my food. Green grams (pulses) and a few beans. I used to grow these myself but there has been no rainfall in eight years, so now I have to buy all food from the market. The prices keep going up. We only have enough food for one meal a day now, and that goes for all people in this area.”

*Lucia, Kalimui village, north east Kenya.*
